TAO IGNITE

Our off-the-shelf, complete digital assessment solution designed to bring your testing program online fast and effectively, without the technical headache. Just add your content and go — it's that easy.

Get Started with Online Assessment

➡ Packaged Tiers to Match your Deployment

TAO Ignite offers a turn-key solution for getting started with digital assessment, without requiring technical know-how. Hosted in the TAOCloud™, Ignite is ideal for large-scale testing across small to mid-sized schools and institutions who need a low-cost, low-lift reliable assessment solution to get up and running online quickly and effectively.

Ignite is designed for a wide range of exams, ranging from practice to high-stakes assessment. And because we handle the infrastructure, you can be sure of reliable and secure test deliveries, every time.

TAO Ignite is broken into 5 package tiers, based on annual volume. Compare tiers on page 2.

TAO Ignite may be the right solution for you if your testing program requires:

✔ Annual delivery for anywhere up to 30,000 test deliveries

✔ Multiple authors (TAO Ignite packages offer admin seats for 10 to 30 users)

✔ TAOCloud™ hosting

✔ Help desk support with a dedicated seat

Turn-Key Feature Set & Enhancements

➡ TAO Ignite is built off of our open-source Core technology

Ignite offers the same built-in feature set as TAO Core, plus specialized add-ons, training and support to bolster the success of your testing campaigns.
