

# TAO PRO

Our most popular off-the-shelf TAO solution. TAO Pro includes the same enhanced turn-key feature set as TAO Ignite, plus access to dedicated account management support as you grow and scale your program.

## Grow & Scale your Testing Program with Confidence

→ Packaged Tiers to Match your Deployment

TAO Pro provides a turn-key assessment solution that enables you to reduce the operational overhead associated with IT infrastructure and platform hosting and instead focus on your assessment campaigns. Pro is ideal for mid-sized organizations and universities who need a complete, secure, fast and effective solution to launch into digital assessment.

Designed to scale, TAO Pro contains the same hosting, features and functionalities as TAO Ignite, but with a key addition: Pro packages also include dedicated account management support from a TAO solutions specialist who conducts regular check-ins to ensure your testing campaigns are running smoothly and scaling with your demand.

**TAO Pro is broken into 5 package tiers, based on annual volume.**
